1. Two forms of identification are required from the list of acceptable documents. At least one ID must be a state or federal government issued picture ID. Either of the following is accepted:
 - a. Two forms of identification from the left column (Federal or State Government issued picture ID).
 - b. One form of identification from the left column (Federal or State Government issued picture ID) and one form from the right column (Non-

Picture ID or Acceptable Picture ID not issued by Federal or State Government).

2. Any form of identification used for ID proofing may not be expired.
3. Hand written or photocopied documents are not accepted.
4. An ID issued before a legal name change (e.g. birth certificate or driver's license) can be presented as one form of ID if a legal document (e.g. marriage certificate/license or a court order) is also presented linking the previous name to the current legal name. The linking document has to display both the former and current legal names. Both documents must be valid and not expired. For example, a married woman may use both a certified copy of her birth certificate and marriage license as one form of ID as long as the marriage license has to display both her maiden name and married name.
5. The Applicant's name listed on the VA Form 0711, Request for One-VA Identification Card, must match the name on one of the IDs presented by the Applicant.
